## INDEPENDENT AUDITORS' REPORT

To the Members of The Citizens' Foundation, Canada

### Report on the Financial Statements

We have audited the accompanying financial statements of The Citizens' Foundation, Canada, which comprise the balance sheet as at December 31, 2010, the statements of operations and changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Page 2

*Basis for Qualified Opinion*

In common with many charitable organizations, The Citizens' Foundation, Canada derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of this revenue was limited to the amounts recorded in the records of The Citizens' Foundation, Canada and we were not able to determine whether any adjustments might be necessary to revenue, excess (deficiency) of revenue over expenses, assets and unrestricted net assets.

*Qualified Opinion*

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of The Citizens' Foundation, Canada as at December 31, 2010, and its results of operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

**Report on Other Legal and Regulatory Requirements**

As required by the Canada Corporations Act, we report that, in our opinion, these principles have been applied on a basis consistent with that of the preceding year.

*KPMG LLP*

# THE CITIZENS' FOUNDATION, CANADA

Notes to Financial Statements

Year ended December 31, 2010

---

The Citizens' Foundation, Canada (the "Foundation") was incorporated in Canada without share capital under the Canada Corporations Act. It is a registered charity under the provisions of Section 149(1) of the Income Tax Act (Canada) and, as such, is exempt from income taxes.

The Foundation is principally engaged in establishing schools to promote education. The Foundation receives funds from all cross sections of society for the building of primary and secondary schools, as well as for operating them. These donations are made by organizations, institutions and individuals.

The Foundation signed an agency agreement with The Citizens' Foundation, Pakistan ("TCFP") on January 20, 2009, which was subsequently updated on May 10, 2010. Under the terms of the agreement, TCFP will operate schools in Pakistan on behalf of the Foundation.

## 1. Significant accounting policies:

### (a) Revenue recognition:

The Foundation follows the deferral method of accounting. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

### (b) Financial instruments:

The Foundation designated its cash as held for trading, which is measured at fair value.

Accounts payable and accrued liabilities are classified as other financial liabilities and measured at amortized cost.

### (c) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Although these estimates are based on management's best knowledge of current events and actions that the Foundation may undertake in the future, actual results could differ from those estimates.

Notes to Financial Statements (continued)

Year ended December 31, 2010

---

## **2. Financial instruments:**

The carrying values of cash and accounts payable and accrued liabilities approximate their fair values due to relatively short periods to maturity of these financial instruments.

## **3. Donated goods and services:**

The Foundation does not record the value of donated goods and services in these financial statements.

## **4. Commitments:**

The Foundation operates 41 schools and directs and controls the activities of the schools through an agency agreement with TCFP. The Foundation is required to provide funding for the operation of the 41 schools to TCFP under the agency agreement. The Foundation has the right to withdraw or withhold funds or other resources at its discretion, should there be any deviation or variation in the proposed operation of the schools. The agency agreement will remain in force until termination by either party.
