I support  TCF to

The Citizens Foundation

would like to express its sincerest
appreciation to

You

- our friends, donors & sponsors for your
generosity in once again supporting our
event this year with your presence and
contributions.

Your commitment is why we are stronger
than ever.

This month TCF unlocked its 1,000 school
dream because of your continued
patronage, making it the largest non-
profit organization in the education sector
in Pakistan.

A MESSAGE FROM MUSHTAQ CHHAPRA

It gives me immense pleasure to welcome my esteemed guests to TCF Canada's 9th Annual Gala and Fundraiser. Your presence tonight in such large numbers is an honour and a testament to your continuous commitment to our cause and advocating social justice. I thank all of you for being here tonight and keeping us strong with your presence and your support.

The inception of every social movement begins with a dream, an envisioned concept. The inception of TCF was also based on a dream - a dream to light the path for a literate, progressive Pakistan. In 1995, when four of my friends and I decided to make this dream a reality, the challenges were huge - yet our goals were clear and they were big. I guess we had to dream big to achieve big!

I am proud to announce that after years of tireless efforts and generous contributions from our supporters, TCF has now extended its network to 1,000 schools nationwide. Though there is much to do, this is a milestone that many said was unachievable years ago. Thank you for believing in us and making this dream a reality. It gives us renewed strength to continue on this journey in providing the many neglected communities of Pakistan, a means to beat the vicious cycle of poverty and fulfill their dreams of charting unknown and exciting territories.

My prayers and good wishes for all our friends abroad.

(Chairman & Co-founder, TCF Pakistan)

THE CITIZENS FOUNDATION

Lets Educate Pakistan

A MESSAGE FROM AZIZ RAKLA

Please allow me to thank you all sincerely for taking out time to honour us with your presence, for your untiring efforts and valuable contributions in making this year's event a monumental success. You have truly demonstrated how much you care and feel for the underprivileged so that they are given the opportunity to lead a respectable life, a birth right of every individual.

I would especially like to express our immense gratitude to all the valuable sponsors for their continuous support and generosity. We laud their contribution to educate 145,000 boys and girls in Pakistan.

Our volunteers and their families can not be praised enough. They have given so much of their time and energy for no monetary gain, only for the satisfaction of serving humanity. They have been instrumental in collecting more than a million dollars for TCF over the past year. I salute you and pray that God reward you for your kind deeds towards the cause of educating the needy.

Sincerest gratitude, to each and every one of you, for giving hope to so many underprivileged children and allowing them to realize their dreams. Your contributions will be long remembered, and make a difference in the life of children.

In the end, I would like to assure all of you that we will double our efforts so that TCF can serve our fellow human beings even better. May God bless you all.

(President – TCF Canada)

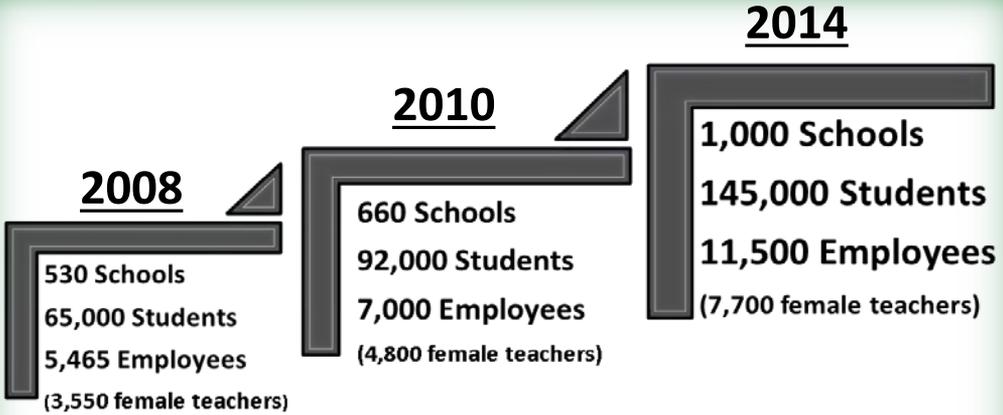

A hundred years from now, it will not matter what kind of car I drove, what kind of house I lived in, how much money I had in the bank.....

Acclaimed reporter and anchor, **Pauline Chan** is currently

the host of the popular segment *Lifetime* for CTV Toronto's NEWS AT SIX, Toronto's #1 newscast. Chan has held several positions with CTV Toronto ranging from General Assignment Reporter to Co-Ancor for CTV Toronto's NEWS AT 11:30pm, a position she held for more than a decade.

As the host of *Lifetime*, Chan has covered many topics ranging from health to politics. Chan has a double Bachelor's degree from the University of Toronto in English and Drama, but a stint with U of T's campus radio station sparked her interest in news broadcasting. After graduation, she enrolled in Humber College's post-graduate journalism program, where she later graduated at the top of her class. An internship at Global Television led to Chan's first on-air experience, hosting a weekly youth news program called KIDSBEAT.

Born and raised in London, ON, **Meher Pavri** completed her Bachelor of Music at Western University. A soprano, she loves singing Opera and art song. Her most recent performance was a staged version of Handel's *Messiah* with Against the Grain Theatre. No stranger to the limelight, she's been

Along with Meher's musical pursuits, she works as an actress and is establishing herself in the film and television industry in Canada. She takes pride in giving back to the community and is thrilled to be performing at the TCF Gala!

servicing Brampton since 1940

Chartered in 1940, the Rotary Club of Brampton serviced a town of just over 5,000 residents. Since then, the Club has helped Brampton grow into the 9th largest city in Canada.

From the Rotary Skating Trail in Gage Park, Peel Memorial Hospital, the YMCA and most recently St. Leonard's Rotary Resolve House we have helped grow Brampton into the great community it has become.

Internationally, the club has been very active in the End Polio Now campaign to help in the eradication of Polio. The Rotary Club of Brampton has led programs in funding schools in Haiti, Hearing Aid Projects in St. Vincent, Volcano Relief in Guatemala, Global Aid Africa, schools for the Hearing Impaired in Panama, Flood relief in Pakistan, Water Sanitation projects in Punjab, India and additional projects in Bangladesh, Malawi, Barbados.

Coming into our 75th year The Rotary Club of Brampton is focused on international projects such as education, health care, water sanitation and poverty elimination. With your help we can make it happen.
